## Lifelong Coverage From Birth Is Now Possible!

To accelerate Trupanion's mission of being able to provide every pet the best veterinary care possible and get closer to our goal of eliminating pre-existing conditions, we've removed the minimum age restriction on our policy and are now allowing puppies and kittens to be covered from birth. We are the only company that is offering this enrollment option!

### THIS CHANGE MEANS:

- Puppies and kittens will have coverage with as few pre-existing conditions as possible — meaning even better coverage from their Trupanion policy.
- Our members, your clients, will have a great claims experience.
- Trupanion can help even more pets receive the best veterinary care possible.

Let's help more puppies and kittens get the best veterinary care!
