

trupanion™

Medical insurance for the life of your pet.

Listen up.

I've got something to tell you.

Your best friend deserves the best coverage.

The Trupanion policy can help protect your dog and your finances.

One simple plan gets you:

No Payout Limits

We love pets. And if yours needs care, we won't impose payout limits. That means we won't cut off care or raise rates just because your dog is unlucky or develops a chronic condition.

90% Coverage

We help pay the big stuff, so you and your family can sleep better at night. The Trupanion policy picks up 90% of veterinary costs, including hospital stays, diagnostic tests, medications, surgeries, and other treatments when your pet is ill or injured.*

A Deductible You Choose

Looking to save a few bones? Pick a deductible that works for your family budget — anywhere from \$0 to \$1,000. You'll still be covered at 90% after it's met.

Any Veterinarian You Want

Whether you visit your current veterinarian, or an emergency or specialty hospital; you're covered at any veterinary practice in the United States, Canada, or Puerto Rico.
